WELCOME AT GOLLEM'S
PROEFLOKAAL

On our menu you will find some classic Flemish dishes, which we used to eat at home back in the day. The Flemish stew is made with our grandmother's traditional recipe and our Flemish fries are fried in beef tallow.

Gollem is the oldest beer cafe in Amsterdam and now has six locations in this beautiful city.

Here at the Overtoom we have 22 beers on draft and over 150 in bottle. Please ask for recommendations!
